

The Bancorp Bank

Company Profile

The Bancorp Bank is a publicly held, FDIC-insured financial services provider that specializes in delivering private-labeled Internet-enabled banking services to affinity groups and demographic constituencies. The Bancorp Bank builds its customer base through these affinity relationships and develops programs and services that appeal to that specific market.

With a clear vision of quality and innovation, The Bancorp Bank takes the lead in delivering financial products and services that customers want in a manner that looks ahead to the future. Our goal is to provide banking solutions that are accurate, flexible, personal and easy-to-use — anywhere in the world, anytime day or night.

Tailored product offerings include a full range of personal financial services, including interest-bearing Checking Accounts, a full line of Loan products and online Bill Payment. Business products and services include several Checking Accounts, Cash Management Services, Loans and Leasing options.

The Bancorp Bank is founded on the principles and knowledge of its people — a senior management team that shares 140+ years in banking and technology experience. The Bancorp Bank is headquartered in Wilmington, Delaware, with offices in Philadelphia, Exton and Warminster, Pa.; Chicago, Ill.; Crofton, Md.; Orlando, Fla.; and Sioux Falls, SD.
